

Editorial Note

Henrik Kraght

JIPE Editorial Board Member

Business Academy Copenhagen

This edition of JIPE brings together a diverse collection of research that speaks directly to the complexities of our changing world. From the integration of generative AI in education to the rethinking of vocational training and social policy, these studies offer fresh insights and actionable knowledge. Each contribution underscores the power of interdisciplinary dialogue and reminds us that innovation and inquiry remain essential for shaping a more informed and resilient future.

Henrik Kraght

Associate Professor

Business Academy Copenhagen
