JIPE Title Page

NOTE: *Please save your title page format as follows: LastName_ManuscriptTitle_TitlePage.doc*

About

Manuscript Type:

Word Count*:

*Word count not including title, figures, multimedia appendices, tables, or references.

Manuscript Title:

Issue Submission Type: Please indicate if you are submitting for the general issue or special issue.

Author(s)

REQUIRED: *Include your full first and last name as you would like to appear in the byline, highest credential (e.g., PhD), and list corresponding authors in desired order (if applicable). Example: Amina Yusuf, PhD, Carlos Rivera, BSc, Mei-Ling Chen, Dip.Eng*

Type author name(s) and highest credential here.

Author(s) Brief Bio

REQUIRED: *Please keep your biography brief and professional, maximum 50 words written in third person.*
Please note: affiliation refers to the place (institution) at which the author conducted the research that they have reported/written about. If an author is not with an institution, they can enter "Independent researcher."

Type here: Author Name, highest academic credential, institutional affiliation(s) where research/paper was written or conducted, position, department, institute, city, state, country, email address. Provide short biographical notes.

Contributing Authors: Contact Information (Email and ORCID ID)

Please add co-authors' names, emails and ORCID ID (if available) here.

For Recent Graduates/Students

Students must have their submission reviewed by a faculty member. Please provide your faculty member's contact info here.
